Hi Carol,

I think it would be best to reach out to LA Streetcar Inc (LASI) to make the update, so that they're kept in the loop and able to convey the most up-to-date information. (I know that financial advisory has been a top priority and they may have newer information than I do, for example.)

I'd be very happy to attend the board meeting and fill in anywhere that my knowledge is useful, and can reach out to Shiraz to make the request of LASI if you like.

Let me know!

Hi Shane, At our last board meeting our members asked for an update on the streetcar. Our next board meeting is Wednesday May 3 in the conference room. Could you give them a brief update? Thanks, Carol
